COUNCILWOMAN-FIRST WARD

November 8, 2002

Mr. Robert Drasheff,
Business Administrator
City of Hoboken
94 Washington Street
Hoboken, NJ 07030

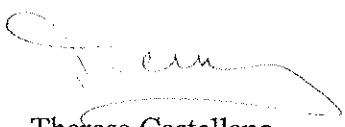

Dear Mr. Drasheff:

In view of the recent presentation regarding the amendments to the South Waterfront Plan, I am requesting the following:

1. A Hoboken Waterfront Corporation Membership Committee is set up immediately. As you know the previous membership consisted of 18 residents, commissioned with the responsibility of overseeing the development of the Southern Waterfront.
2. My request stands as to table the ordinance for a second and final reading at the November 20th meeting.
3. Presenting a proposal of this magnitude before the City Council for a vote without public input is unacceptable. As with all decisions concerning our waterfront, public input is invaluable and should be at least considered. The total disregard for including me (the Councilwoman for the area) in any of the negotiations is also inexcusable.

I need a response ASAP.

Sincerely,

Theresa Castellano,
First Ward Councilwoman
