CITY CLERK'S OFFICE

CITY HALL

HOME: 798-1962

Dear

Please allow me to introduce myself, my name is Theresa "Terry" Castellano and I serve as your First Ward representative on the Hoboken City Council.

Over the years, I have enjoyed many official positions with the city. Prior to being elected to the Council, in June of 1995, I served as Chairwoman to the Zoning Board of Adjustment, having sat on that board for six years. Presently, I am the Chairwoman for the Historic Preservation Commission, a board that I have been a member of for the past fourteen years. As you can see I am not new to city government.

As Councilwoman, I intend to continue to be a very active, involved, and an accessible elected representative. If I can be of any assistance to you please feel free to contact me at 798-1962. Also, I look forward to hearing from you with suggestions and ideas for improving our neighborhood. Together we are the backbone of this community, and as such we are in the position to enhance our city so that it may continue to flourish.

In final, please accept my best wishes in welcoming you to Hoboken; this is truly a great place to live, and with our collective support getting better all the time!

Sincerely,

Theresa Castellano
Councilwoman First Ward
