The Hoboken Reporter
1400 Washington Street
Hoboken, New Jersey 07030

Letter to the Editor:

This is a letter referring to an incident which occurred last July 2002 which involved a group of Little Leaguers.

Remember that day back in July last year when you were told to show up at the 14th Street Ferry Pier in uniform to launch a ferry called "Hoboken ". Remember when you were promised a lunch and a boat ride up the Hudson River.

And I know you all remember having your picture taken and being ordered off the boat and sent home.

Somewhere there was what I want to call a misunderstanding. I would never want to believe you were all there for a photo-op. Nobody could be that cruel.

Since that unfortunate incident, I have made a request to NY Waterways to help me right a wrong.

N Y Waterways has agreed to provide us with a boat ride up the Hudson and including a lunch as per the original plan.

Mark this date on your calendar, March 30, 2003 Sunday at 11 AM Meet at the 14th Street Ferry pier. You will also be hearing from the coaches.

SEE YOU THERE!

Sincerely;

Theresa Castellano
1st Ward Councilwoman
